Typographical errors can wreck your reputation. At a minimum, they signal sloppiness or inattention. Worse, they sow confusion and can even reverse your intended meaning.

> "The quality of your writing directly reflects the quality of your work." -- Mandi Standley, CSP

If you are responsible for correspondence, paperwork, and email throughout the course of the workday, this engaging live webinar can help you avoid embarrassment and even disaster!

You'll walk away with four tangible proofreading "gifts" designed to make your job easier.

SPEAKER

With more than 22 years of experience on the seminar circuit, Certified Speaking Professional Mandi Stanley works primarily with business leaders who want to boost their professional image by becoming better speakers and writers. She has traveled throughout North America.

I'm great. I'm looking for someone to maybe hit the jogging trails with. Interested in joining me?

11:33 AM
That sounds awesome. I really should get my cardio in for the week!

11:40 AM
Wanna meet at the park in an hour?

Say something…
